“It is our conviction that coffee can be a force for good because it can shape communities and preserve landscapes for the better, leaving a positive impact on the lives of people and nature.”

Guillaume Le Cunff, CEO Nespresso

INITIATE SYSTEMIC TRANSFORMATION TO DRIVE POSITIVE IMPACT ACROSS OUR VALUE CHAIN

- Committing to long-term relationships with farmers cultivating sustainable quality coffee
- Building climate resilience on farms and surrounding landscapes through agroforestry
- Enabling the circular use of aluminium from sourcing to post-use
- Working in partnership to drive innovations and amplifying impact
